20x8.0	8x6.5	-1.90	-163	4.93	3500	Rear	\$975	\$799	D5jk0080FR (D50, D54, D58)

20" Aluminum Inner

20x8.0	8x6.5/8x170	8.80	109	4.93	3500	Inner	\$975	\$799	618-204930
--------	-------------	------	-----	------	------	-------	-------	-------	------------

20" Inner Hub Ring

Dodge 3500 93-Back		4.75 to 4.93				\$30	\$25	618-4750
Dodge 3500 94-up		4.78 to 4.93				\$30	\$25	618-4780

Must use same diameter inner rear wheel with outer rear wheel. 17" outer requires 17" inner wheel & 19.5" outer requires 19.5" inner.

It is recommended that 8 factory lugs are stored with the truck to use with the spare/steel inner in a case where an aluminum wheel/tire assembly needs to be removed.

Purchasing 3 Inner wheels is recommended so one can be used as a spare.
